

A close-up photograph of a car's headlight assembly, showing the lens and internal components. A blue MAXIM MAX16812 chip is superimposed on the right side of the image. The chip is a square component with a blue top surface and a black bottom surface with several silver pins. The text 'MAXIM' and 'MAX16812' is printed on the top surface in black. The background is a blurred view of the car's headlight and bumper area.
