Non-use of PFOS / PFOA

Dear Customer,

We, Hitachi Chemical, hereby confirm you that our epoxy molding compounds, CEL-9240HF10CM, CEL-9220HF13, CEL-9220HF13V and CEL-9220HF13VS supplied to both Carsem (M) M-site and S-site do not contain PFOS (Perfluorooctane sulfonates) and/or PFOA (Perfluorooctane acid).

Please feel free to contact us if you have any question on the confirmation above.
